CONSENT TO USE OF DATA

- The personal data indicated in this form like, for example, name, address, phone number, etc., which are required to process the contract, are collected based on legal rights. I hereby agree to have my data recorded in order to process the request. The legal right to process your data follows compliance with Organic Law 3/2018, of December 5, on the Protection of Personal Data and guarantee of digital rights, as well as Regulation (EU) 2016/679 of the European Parliament and of the Council, of April 27, 2016, regarding the protection of natural persons with regard to the processing of personal data and the free circulation of these data, and following the Recommendations and Instructions issued by the Spanish Agency for the Protection of Data (AEPD)

This document is mandatory to request a service at Compak, acting as an input report of the client's request and communication of the resolution of the incident or request for intervention. The warranty period for the product is one year from invoice and the repair period is five years from invoice. Based on "Royal Legislative Decree 1/2007, of November 16, which approves the revised text of the General Law for the Defense of Consumers and Users and other complementary laws", it establishes in its article 127 that (1) "In products of a durable nature, the consumer and user will have the right to an adequate technical service and the existence of spare parts for a minimum period of five years from the date the product ceases to be manufactured" and that (3) the action or right of recovery of the products delivered by the consumer and user to the employer for their repair will prescribe three years from the moment of delivery.
